BUSINESS RESCUE STATUS UPDATE REPORT FOR GROUP FIVE LIMITED (IN BUSINESS RESCUE) (the "COMPANY")

1. In accordance with section 132(3)(a) and section 132(3)(b) of the Companies Act 71 of 2008, as amended, when the business rescue proceedings of a company have not concluded within 3 months of the date on which they started, the business rescue practitioners ("**BRPs**") are required to –
 - 1.1. prepare a report on the progress of the business rescue proceedings and update it at the end of each subsequent month until the end of the business rescue proceedings; and
 - 1.2. deliver the report and each update to each Affected Person and to the Companies and Intellectual Property Commission ("**CIPC**")
2. Accordingly, we, the BRPs, hereby provide you with the status update report of the Company's business rescue proceedings as at the end of the calendar month of November 2025.
3. Capitalised words not otherwise defined in this report shall have the meaning ascribed to them in the approved Business Rescue Plan for the Company as published on 30 August 2019 ("**the Plan**").
4. **General**
 - 4.1. The resolution of Group inter-company loans and the wind up of the Group structure is the key matter which is being actively addressed by the BRPs. This matter needs to be substantially resolved before the BRPs are able to terminate the business rescue proceedings of the Company.

4.2. Other than the above, and those matters relating to the interlinked business rescue proceedings of Group Five Construction (Pty) Limited ("**G5C**"), which matters are set out in the separate G5C monthly report, the BRPs confirm that there were no material business rescue matters specific to Group Five Limited to report on for the month of November 2025.

4.3. Ongoing Business Rescue Processes –

- The primary focus of the BRPs, as noted above, is currently the winding down of numerous group companies and the resolution of inter-company loans within and amongst the Group Five group of companies. A team of relevant specialists from Werksmans Attorneys has been appointed by the BRPs to advise and assist the BRPs in the expeditious resolution of this matter.
- Currently, 61 companies remain (32 international, 29 local).
- The BRPs have requested that the litigant in the last remaining court matter – brought against the Company and the BRPs – withdraw such action (which has been dormant for years). If this does not happen, the BRPs will petition the court to remove the matter from the role.
- Other processes underway relate to group audit completions and resolving group SARS matters.
- In parallel the BRPs are dealing with all matters as required in respect of the inter-related G5C business rescue process. Such matters relating to G5C have to be resolved in parallel due to their direct impact on the outcome of the Company's business rescue proceedings. All of these processes and procedures remain ongoing and in accordance with the Plan.

5. Termination of Business Rescue Proceedings

- 5.1. As noted above, the resolution of Group inter-company loans and the wind up of the Group structure, and consequently the resolution of the G5C business rescue proceedings, must be more substantially resolved before the BRPs are able to terminate the business rescue proceedings of the Company.
- 5.2. These matters are being actively addressed by the BRPs together with: putting in place processes to deal with all remaining matters which will require resolution post termination

of the business rescue proceedings; appointing temporary boards of directors to the two entities; updating the share register of Group Five Limited; and other related administrative matters.

5.3. The BRPs are currently of the view that, once out of business rescue, there is likely to be positive net asset value in G5C. This would infer that there may be positive value available to Group Five Limited (as the beneficiary of G5C's positive net asset value), and therefore currently our view is that there is likely to be positive value available to the shareholders of Group Five Limited.

5.4. Affected persons will be advised as to progress on the termination in these monthly updates. The BRPs currently estimate that termination of the rescue could take place in the first or second quarter of 2026.

6. If Affected Persons have any queries or concerns with regard to the business rescue proceedings of the Company, they may be directed to the business rescue team on: G5ltdBR@groupfive.co.za
